Subject: KKMO interview

Dear Breanna;

Thank you very much for the taking my telephone call, today.

KKMO El Rey 1360 is a radio station broadcasting in Spanish in the Puget sound area in Washington State.

We would like to offer Congressman Reichert a five minutes live interview in our station any week day from 7-9 AM local time, to talk about coming election in Federal District 8 and his candidacy for re election.

We have other candidates requesting the same, and our policy is to offer all candidates the same opportunity.

We can provide interpretation in the case Congressman Reichert is interested.

You can contact me by email or to my cellular 206 306 4881.

Best
